Community Service Fund Drive Starts Saturday

Planning For Future Is Major Factor In Campbell Water Company Program

When a thirsty man turns on the kitchen tap to draw a cooling drink of water, or when a busy housewife fills up the Monday wash-tub, neither seldom gives a thought to the hours of labor, the expense, or the years of planning which have made it possible for the average consumer to obtain water with so little effort. Few city dwellers have ever had to pump their own water by hand from an outdoor water supply, or to haul it up in heavy buckets from the family well.

Yet, during all the recent years of automatic water supply, and even today, engineers, planners, laborers and others have devoted their careers to the work of supplying the nation's families, farms and industries with that essential natural resource, water.

During the war and postwar years many water companies in California's widespread communities have been faced with the tremendous problems of supplying water service to rapidly increasing numbers in the face of vital materials shortages and, in many cases, shortage of water as well. Migrations of large industries from the water-wealthy eastern states to the comparatively dry western area has brought welcome added income to people of the area, but has also brought the west still more residents. These new westerners, people and industry, have also meant greater water consumption.

Like other California communities, Campbell has noted a heavy population increase and the gradually receding valley water table has placed an additional burden of worry on the shoulders of both heavy consumers and their supplier, the Campbell Water Company. Recent dry years have forced many a water utility to renew and expand its search for additional supply sources.

Far-sighted officers of the Campbell company had, however, made extensive preparation for the increased demands on the water supply here, and the company, this year, has culminated a nine-year expansion program at the cost of some \$300,000.

In process of expansion of its services to meet needs of a population which has almost doubled since 1941, Campbell Water Company has increased its pipeline installation from the 1941 total of 17 miles to a present 28 miles of pipeline with 1271 service connections, compared to 670 connections at the start of the program. Five wells instead of three now serve an approximate consumer population of 5,000, almost double the 2,800 in 1941. Twenty years before, in 1921, the utility served approximately 200 consumers.

Despite the costs of maintenance and expansion, the company has received only one water rate increase during the 27-year period 1921 to 1948, at which latter time an eight percent cost increase was allowed. Outstanding stock in the Campbell Water Company consists of \$75,000 common and \$50,000 preferred. A six percent return on capital investment is allowed by the Public Utilities Commission. Originally organized in 1903 as a three-ranch cooperative, service area boundaries were from Gilman to First Street and from Minna to E. Central Avenue. The company has been under its present management since 1921. Present officers, elected in 1947, are: Maud Hyde, president; Ralph Hyde, vice-president, and Homer Hyde secretary.

On a recent tour of the water company plants, a Campbell Press reporter was taken through the main water company installation, still at its original site where its first customers were served by four wooden tanks with an average pressure of 15 pounds. Last year was the period of heaviest equipment installation during the company expansion program. Early in May, 1948, a half million gallon surface storage tank was erected at the site of wells 1 and 1A. First and Everett Streets, having a 14-750 gallon per foot capacity and a feeder supply from three wells. Also located at this site is the water company's tower tank, operated by gravity pressure and having a storage capacity of 75,000 gallons. Present pressure averages 54 pounds with a variance up to 65 pounds due to service area elevation variance. Pumping capacity here is 400 and 650 gal-

(Continued on Page Four)

Hill Chairman For Local TB Seal Sale

Laurance J. Hill of Campbell has been named local chairman for the annual Tuberculosis Association Seal Sale, the office of the County T. B. Association announced this week.

Some 80,000 county residents will receive the colorful seals by mail on November 21. This year the seal is unusually attractive, depicting a white dove with spray of holly in its beak and the word "Greetings," with the red double-barred cross in one corner, international emblem of the tuberculosis association.

Legion Patrol Hears Officers On Law Enforcement

Representatives of state and county law enforcement officers met Tuesday night with the 21 members of the American Legion patrol. The officers were, Captain Ed Tressler, California Highway Patrol; District Attorney N. J. Menard, A. J. Ford of San Francisco, district inspector for the California Highway Patrol, and Captain Floyd Stewart of the County Sheriff's office.

Speakers gave informative talks on operation and authority of each of their departments. They complimented the patrol and assured them of their complete cooperation. All members of the volunteer patrol were fingerprinted preparatory to being sworn in as special deputies to patrol the Campbell area.

This 21-man patrol will have the same full police authority as that of a deputy sheriff, with the exception that they will not serve legal papers, members reported.

Legion Post Organizing Rifle Teams; Membership Drive Returns Near Quota

Seventy-five members have already been signed up for the 1950 post year beginning October 20, Campbell American Legion post commander Leo Park has announced, and the group is well on its way to the quota of 125. Twenty of the 75 are new members.

Besides the current membership drive, the legionnaires are deep in plans for two 10-man rifle teams now being organized, and to be affiliated with the National Rifle Association.

Shoppers Learn It's Easier To Buy In Campbell

With the Buy-In-Campbell campaign well on its way, Campbell shoppers are vying with each other to gather in the valuable tickets which will make them eligible for that new Plymouth deluxe sedan to be given away during Christmas week by the 54 participating merchants in this area.

Tickets are a must when shoppers do their local buying, for the customers know that the more tickets they have the greater their chances of winning that car which is being supplied through the co-operation of Spotswood Motors of Los Gatos.

Many a casual shopper has changed his buying habits since the campaign started. Those who used to take their trade elsewhere in belief that they would find greater variety of stocks have learned that the home-town businessman has the variety they seek at money and time-saving values. Local merchants have learned from their customers own statements that the Campbell residents who used to shop elsewhere, wish they had tried Campbell first. As some customers have gladly stated, "We've rediscovered Campbell."

Poor Sewage Control Fosters Disease Spread

"One of the most important factors in the public health safety of a community is the maintenance of adequate sewage disposal," Dr. Melford B. Jorgensen, Massol and Saratoga Avenue, prominent Los Gatos physician and surgeon, announced today in discussing the proposed trunk line sewers in Santa Clara County Sanitation District No. 4. "We know that diseases, including infantile paralysis, may be spread by inadequate sewage control."

"An adequate system of trunk sewer lines, such as proposed by District No. 4 for the cities of Los Gatos, Campbell, Saratoga and the Burbank district with a modern disposal plant at Alviso, conforming to the California State Board of Health laws, is essential. The cost to the residents of the district will not be excessive and I believe that the increased value of real property in the area served will offset the assessment. There will also be considerable local employment in the construction of the project."

Sgt. John Sansone Will Speak On Pedestrian Safety

Sgt. John Sansone of the California Highway Patrol will be the guest speaker next Wednesday, when the Cambrian Home and School club meets at 2 p.m. in the school cafeteria. Sgt. Sansone's subject will be "Safety on the Highway for Pedestrians."

There will also be a talk by a representative of the Campbell Community Service Fund. The executive board will be hostesses. Members of the board met Wednesday night at the home of Mrs. J. O. Dohoney, San Jose-Los Gatos Road, to map future meeting and project plans.

Trustee Board Inspects New School Buildings

Recently completed school buildings at Moorpark and San Tomas Elementary School grounds were given final inspection at 10 o'clock this morning by members of the Campbell Grammar School board of trustees, for the purpose of accepting them from the contractors.

The Moorpark project included two kindergartens, 10 classrooms and an administration unit. George J. Lauer was the contractor. Building cost was \$148,667.

At San Tomas School, the newly completed building includes an administration unit, kindergarten and seven classrooms, built at a cost of \$102,657 by the late C. F. Parker, contractor.

Campbell Grammar School's addition, while in use, is not ready for inspection, William C. Henley, district superintendent, announced. This is a multi-purpose building divided into six classrooms. Contractor is N. A. Lamb. Estimated cost is \$50,000.

Board of trustee members are Ross Trowbridge, chairman; E. L. Farnham, clerk; Lee L. Anderson, Edwin C. Van de Mark and Walter W. Williams. Henley accompanied the board on its inspection tour.

San Tomas Area Recreation Building To Be Subject Of Residents' Meeting

With a view to obtaining a community recreation building, to be located on the San Tomas School grounds, a general meeting of residents of the area between Campbell and Saratoga has been called for October 10 at 8 p.m. in the San Tomas School, Stephen S. Ridgely Sr., of the Cal-Mar Ranch, Moore Avenue, announced today.

Residents plan to supply the necessary labor and to request aid and materials from the school board and other groups.

Supervisor Earl C. Campbell, Fifth county district, and members of the school board of trustees have been invited to attend the general meeting. There will be free movies in an adjoining room for the children, and refreshments will be served to all comers. Nursery rooms with adequate supervision are planned, and parents are urged to attend and bring their children if they are unable to obtain a baby sitter.

Sponsors of the movement are: San Tomas Men's Club, San Tomas Improvement Club, the Parent-Teacher Association, Boy Scouts and Cub Scouts of the area.

The sponsors expressed hope that the PTA and other organizations will join with other residents of the area in giving all assistance possible to this community project designed to provide recreation for youth and adults of the rapidly growing residential section.

5-Room Home Total Loss For James Park

The Umbarger Road home of Mr. and Mrs. James Park was destroyed last night by fire of undetermined origin. Park is a brother of Leo Park of Campbell. Mr. and Mrs. Park were vacationing at Capitola at the time of the fire. Loss is expected to be well over \$15,000 for the five-room frame house and new furnishings. Park had spent two years building the house which the family occupied nine months ago.

The house and its contents were a total loss according to County Central Fire District crews from Cambrian, Alum Rock and Cottage Grove stations. Assistant Chief Hugh Turner was in charge.

Light Fund Upped To \$2599.93

A \$50 donation from Hunt Foods, Inc., Campbell plant, has increased the softball field light fund to \$2599.93, Mrs. Mary Grey, Campbell Softball Association treasurer, announced today. Goal of the fund is still \$3000. Further donations are still needed to meet the cost of the project, recently completed.

Mrs Ethel Carden, Former Teacher, Homicide Victim

Mrs. Ethel Carden, 69, the former Mrs. Ethel Catton who taught for a number of years at the Campbell High School during its early days, was killed by a stray bullet September 6 while she was sleeping on the porch of her Marysville home.

The prominent Marysville clubwoman made her home with the E. Jones family during her residence in Campbell. Mrs. Carden was one of the founders of the League of Women Voters and its first president. A tree will be planted by the chapter in a Marysville park in her memory. She was a native of Oakland and had lived in Marysville for 30 years.

Investigation indicated Mrs. Carden may have met her death from a stray bullet fired during a police chase of a suspected house burglar, but the bullet which killed her was so battered that no definite identification of the gun which fired it could be reached. The bullet struck her head.

Mrs. Carden's husband, Harry Carden, found her dead when he went to awaken her the next morning at 8:30 o'clock.

Burning Hours Must Be Observed

Now that the fall leaf burning time is here, many citizens are unwittingly breaking the burning laws by starting fires after hours or without permits.

Fire Chief Jack Scott reminds Campbell citizens that burning is permitted only between the hours of 6 a.m. and 12 noon daily, except Monday. Monday is washday. No burning, please. Fire must be in a closed incinerator unless persons doing the burning have a permit to do otherwise.

Permits may be obtained from Chief Scott. Governor Earl Warren has proclaimed the week of October 1 to 8 to be Newspaper Week.

Postmaster Ira Grim Seeks Bids On San Tomas Area Contract Station

Plans for establishment of a contract post office station in the San Tomas area were revealed this week by Campbell Postmaster Ira H. Grim, who issued a call for bids to furnish equipment and personnel for the station.

"Proposals will be received at the office of the postmaster until 1 p.m., October 3, to furnish during the remainder of the contract period ending June 30, 1951, sufficient space in a convenient location for the public for the transaction of the postal business of a contract station," the unit reads.

"The facilities of the unit to consist of money order registry-parcel post (ordinary insured and C.O.D.)—the sale of all necessary postal supplies and to provide all equipment including a sign, safe, heat, light and all clerical service necessary for the conduct of such business.

"Location to be in the San Tomas district near San Tomas Road and Smith Avenue."

Grim said the heavily residential area formerly was served by rural carrier, and sales of stamps and money orders were handled through the carrier. Under the new city mounted service, a local center is needed for convenience of the public for sales of stamps and money orders.

This is the first contract station planned by the Campbell post office, Grim said, and another is contemplated for the Cambrian area in the near future. The same situation exists in that area with city mounted service. Volume of postal business in the Cambrian area is higher than that for San Tomas.

'We Hope To Hit Our Quota Of \$7800 In One Week,' Says Laurance J. Hill

Final report of the dawn to dusk fund drive among the Campbell merchants Thursday totaled \$1048, and Community Service Fund Committee chairman Laurance J. Hill said this compares well with the \$1000 goal set for the opening day.

The pre-drive campaign opened with a breakfast at the Campbell High School cafeteria attended by the campaigners: Dobie Jeffers, Homer Hyde, Budd Levenberg, Bill Means, Cel Gerevas, Art Mays, Hill, Martin Farnham, Ed Carman, and Mrs. J. W. Knowles, drive chairman.

Breakfast speaker was County Boy Scout Executive Chester Bartlett. Scout leaders staffed the A-division dawn to dusk campaign. Mrs. Knowles gave to those attending information about the drive, and Hill served as chairman.

Final report of the drive will be presented tonight at the opening dinner of the campaign. Reservations are in for 100 persons who plan to attend the 6 p.m. dinner in the school cafeteria. Dean Paul Pitman of San Jose State College will be the guest speaker. Mrs. Knowles will give her report, and instructions to the workers who will also receive their kits of materials. Kenneth Robinson has charge of the after-dinner program to which the public is invited. The high school band will play Participating organizations in the drive — Boy Scouts, Girl Scouts, Campfire Girls, YMCA, School Milk Fund, Library Fund, Scout Hall Association and Visiting Nurse Association—will present tableaux depicting their activities. Drama Teacher Kenneth Wallace will be the narrator. The milk fund, incidentally, provides milk and hot lunches to needy youngsters in the Campbell, Cambrian, Moorpark, Moreland and San Tomas Schools. School nurses determine who shall receive assistance from the fund. Workers not attending tonight's dinner may receive their kits from district captains.

School nurses determine who shall receive assistance from the fund. Workers not attending tonight's dinner may receive their kits from district captains. Those planning to enroll in the classes may now register in the class sessions. A fee of \$1.00 is required, but will be returned to those whose attendance is 85 percent or better.

The Campbell High School Parent-Teacher Association is soon to put the tickets on sale for this outstanding play to be presented at the high school October 28 and 29.

Adult High School Enrollment 106

Registration for adult afternoon and evening classes at Campbell Union High school, which began Wednesday, is now 106, the office of Laurance J. Hill, superintendent, reported today.

Enrollment by classes was: Flower Arrangement, 5; Sewing, 16; Wood Shop, 15; Upholstery, 23; Folk Dancing, 39, and Typing, 8.

Those planning to enroll in the classes may now register in the class sessions. A fee of \$1.00 is required, but will be returned to those whose attendance is 85 percent or better.

Herb Discussion

Santa Clara County Adult Probation Officer Max Watson will speak on "Herbs," at the Campbell Garden Club's meeting next Wednesday, October 5, in the clubhouse of the Campbell library building, at 2 p.m.

Subject of the meeting will be "Growing of Herbs." Members will have an exchange of herbs.

Campbell Men Visit PG&E Dams On Feather River

Four Campbell men were among 300 from California communities who were taken on a conducted tour of Pacific Gas and Electric Company installations on the Feather River.

Homer Hyde, Forrest Reese, Frank Steindorf and Joseph Gomes left here Tuesday afternoon and returned Wednesday night after inspecting PG&E dams and power houses on the Feather River. The four went by bus to San Francisco, to Oakland by ferry, joined the party at the Oakland Mole and traveled by train to Pulga. Feather River siding, where they arrived Wednesday morning.

At Pulga the group began a bus tour of the projects, including the Cresta Power House, Cresta Dam, Rock Creek Power House, Rock Creek Dam and tunnel. After luncheon at one of the construction camps, the party boarded their train for the return trip.

Dinner Meeting For Rotary Club Next Monday

Campbell Rotarians will hold a general club business meeting and dinner next Monday, October 3, at 7 p.m., at Elliot's Red Coach Inn, Campbell.

Speaker at this week's meeting was Charles Lamb, representative of Forest Lawn Insurance Company. He was introduced by chairman David Rutherford, and gave pointers on selling of funeral insurance and how to interest prospects in such insurance.

Country Woman's Club Opens Year With Luncheon On Hawaiian Motif

Dr. Dorothy Kaucher, member of the faculty of San Jose State College, inspired members of the Campbell Country Woman's Club with her interpretation of "The Meaning of Beauty," Monday at the club's opening luncheon in the clubrooms. A highlight of the meeting was the presentation of past presidents who sat at the speakers' table. This group included the club's first president, Mrs. E. I. Price, who served as president from 1905 to 1908.

Music on the program and incidental music was played by a Hawaiian trio composed of Laura MacLean, Spanish guitar; Dorothy Davis, electric steel guitar; and Vivian Coombs, ukelele. The trio offered such numbers as "Twilight in Hawaii," "Mokihana," "Drowsy Waters," "War Chant" and "Aloha Oe."

Mrs. Milton Robertson was the general chairman, and the attractive decorations were able executed by Mrs. Laurence J. Hill. She used huge bronze and yellow dahlias accented by bamboo and loquat sprays as the mantelpiece arrangement, and carried out the same theme of autumn colors in the table decor and other appointments in the room. Mrs. F. A. Jacobson was in charge of the luncheon which featured typical Hawaiian food.

Other members of the board of directors who served as hostesses were: Mesdames J. M. Dahl, president; L. Ben Howard, C. E. Hancock, Edna F. Smith, Nellie Ruth, B. T. Morgan and Ray Steindorf. Mrs. Franklin Blaine and Mrs. Roy Stoner assisted the committee.

Mrs. F. E. Livingston of the Old Church Antique Shop, Saratoga, will be the guest speaker at the Country Woman's Club meeting next Monday at 2:30 p.m. Topic of contract station, the notice reads, will be furnished by Lorraine Wood, pianist, and Aileen Cirola, soprano.

Mrs. Ray Wood will be chairman of the program, assisted by Mesdames R. M. Magnuson, Franklin Blaine, G. W. Burron, R. W. Hyde, and Rex Saunders.

Extension Service Hostess Tea Will Open New Term

A hostess tea will be a highlight of the first meeting of the fall season for the Campbell branch, Agricultural Extension Service, on Friday, October 7, from 2 to 4 p.m. in the parsonage of the Methodist Church, Campbell Avenue.

During the meeting there will be a short demonstration of preparation of sandwich fillings for box lunches. The group will also discuss box lunch menus. Mrs. J. C. Hummel and Mrs. Harold Means will be in charge of the demonstration.

Tea hostesses will be Mrs. Edythe Flagg, outgoing branch chairman, and Mrs. Herbert Gilbert, incoming chairman. Sandwiches with the new fillings will be served at the tea.

The public is invited to attend, and the group especially invites young housewives. Meetings are held on the first Friday of the month. This and future sessions will meet at the Methodist parsonage instead of at the previous location in the church.

Pundita Circle

Pundita Circle held its first meeting of the year at the home of Mrs. Anne Pardee, Sunnyvale Avenue, on Wednesday, Mrs. Ethelda Minehart, president, conducted the business meeting.

"Early Days in Santa Clara County" was the theme of the program which was enjoyed by 20 of the members. Mrs. T. E. Waters was the assisting hostess.

This floral teepee, arranged by Tommy Blackmun of Campbell Floral Shop, was feature of decorations Friday night for the men's night program at Netops Council Degree of Pocahontas. The teepee entrance was outlined by gardenias; peaks were represented by gladioli, and dahlias predominated in the body of the teepee.

Grammar School Parent-Teachers Meet Tuesday

First fall meeting of the Campbell Grammar School Parent-Teacher Association has been scheduled for next Tuesday, October 4, at 8 p.m. in the Campbell Grammar School auditorium. Mrs. Lloyd Brown, president, will conduct the meeting.

District Superintendent William C. Henley will speak on the school system, and all teachers will be introduced to parents who are urged to attend. Refreshments will be served at the close of the meeting.

Road to Socialization Through Health Says BPW Speaker Joseph Donovan

Just as education, newspapers and other vital services do not permit control by government, so should medicine be taken out of politics, Mr. Joseph Donovan, secretary of the County Medical Association, told Campbell Business and Professional Women Wednesday night at their regular meeting.

Donovan, speaking on "Freedom and 'Free' Medicine," said two groups are in favor of socialized medicine; these are the welfare people and the politicians. The Wagner-Murray-Dingle bill, he said, has too many facts in fine print. Under this bill doctors in California would be shifted to other parts of the country; the doctor's load would be heavier than at present; a lay board would be deciding matters pertaining to medicine, and volunteer medical insurance plans would be unable to compete.

The speaker, who was introduced by Miss Jane Parr, chairman of the legislature committee, pointed out that the fastest way to socialization is through health. He also warned the group that caliber of the medical profession would deteriorate under a socialized medicine setup, pointing out that those now going into medical schools are opposed to the Wagner-Murray-Dingle bill, which would take away their interest in becoming doctors and furthering the health of the nation.

During the balance of the meeting the group received a \$50 donation from Hunt's Foods Inc., Campbell plant, for the softball field lighting fund. The group discussed plans for the National Business Women's Week, October 9 through 15, and were invited to attend the San Jose club's meeting October 10, Monday, at 6:30 p.m. in Lou's Village. In conjunction with Business Women's Week the local club will sponsor a half page in the Campbell Press, in which local merchants will join in congratulating the group, and there will be a history of the club.

Lela Swasey, past state president, will speak on "Objectives of the Small Business Clinic," at the club's next meeting October 12. Bertha Hindle is chairman of the next Netops meeting, October 14, at 8 p.m. in the Campbell IO-OF Hall.

Netops Council Has Men's Night Meeting Program

Men's night was observed last Friday at the meeting of Netops Council, Degree of Pocahontas, with Tommy Blackmun serving as chairman. Committee members included John and Art Franzen, Vic Orlando and Elmer Anderson.

Blackmun, of Campbell Floral Shop, did the floral arrangement which featured a three-foot high teepee of flowers, with the entrance outlined by gardenias. Dahlias predominated in the body of the teepee, and the peaks were represented by gladioli. At either end of the table was an arrangement of red, white, yellow and violet blooms, one with border of crinkled orchid foil and orchid dahlias, the other with bronze foil and bronze dahlias.

The drill team practiced during the meeting in preparation for the official visit of Great Pocahontas Mary Hamilton at the November 25 meeting. Practices will be held each week until the visit.

Several members of Netops Council who attended the official visit to Zanetta Council Wednesday night in Los Gatos were Vivian Johnson, Russel Fulton, Ella Whitaker, and Sharon Parker, first great runner. On October 14, Miss Parker and other delegates will attend the official visit in San Jose.

Bertha Hindle is chairman of the next Netops meeting, October 14, at 8 p.m. in the Campbell IO-OF Hall.

Benefit Fashion Show, Luncheon Sponsored By Delta Gamma Alumnae

A fashion show and luncheon sponsored by Delta Gamma Alumnae of the San Jose area will be an event of next Wednesday, October 5, at Hawaiian Gardens, San Jose. Luncheon will be served at 12 noon, with the fashion show planned for 1:30 p.m. The public is invited to attend. Proceeds will be contributed to nursery schools for the blind and to sight-saving classes throughout California. The alumnae contribute to a scholarship award to train a nursery school staff worker.

Theme of Wednesday's show is "Calendar Classics," featuring clothes for coming local events around-the-clock fall costumes for the "big game" or the concert series opener. Miss Steffi Abbott will be the commentator. An intermission highlight will be the "dressing up or down" of a plain black basic dress with suitable accessories for tailored, afternoon or evening wear. The department store providing the clothes will present a gift of cologne to each guest.

Models will be Mesdames A. Chandler Berry, C. H. Johnson of Palo Alto; V. Curtis, James Hait,

Legion Auxiliary Active In Welfare Projects For Year

Campbell American Legion Auxiliary has had a busy month during September. A hospital party was held September 27 at Palo Alto Veterans Hospital, with 14 auxiliary and legion members attending.

The membership drive is underway with Mrs. Ruth O'Brien and Mrs. Frances Clever as captains.

Mrs. Iva Kaber and Mrs. Pat Burch told of the convention highlights at the last meeting of the month. A \$25 donation was voted for the polio emergency fund. Community service and child welfare work among the veterans and their families is one of the auxiliary's big programs.

A potluck supper for all auxiliary and legion members will be held October 26, during a joint meeting.

Plans are being formulated for the official visit of the 13th District president, Mrs. Stephanie Casurang of Palo Alto, when the auxiliary's fifth birthday will be celebrated with a special program. The next meeting will be October 12.

This is the girl to call or see when you want a telephone moved, a directory listing—have any service questions.

Meet a girl who knows the answers

1. She's a "Service Representative" . . . your personal representative in your telephone Business Office. Every one of our millions of customers in the West is served by a particular young lady. In the files of your own "Service Rep" are facts about your service. With this finger-tip information, she can answer questions promptly . . . and help us meet your needs.

3. It has taken many, many people . . . scientists, manufacturer, linemen, operators, Service Representatives, repairmen . . . to build your telephone into the valuable servant it is today. And they're working to make it still more valuable . . . to keep your telephone a real bargain today. And it is. After all, a few pennies still buy a call.

2. Her training is the kind that never really stops. For a Service Representative must know the ins and outs of the telephone business to serve you best when you are changing your address, when you need information about a bill, when you have a complaint. You can be sure she will always use her ability and training to help you get the greatest value from your service.

Your telephone is one
of today's best bargains

The CAMPBELL Register

Their many friends and fellow civic workers will be sorry to hear that MR. AND MRS. MILTON "BUD" BACHMAN are leaving soon for Lodi. Congratulations are in order, however, as Mr. Bachman has been named resident manager for the Union Oil Company plant at Lodi. He takes up his duties there as of October 1. The family, Mrs. Bachman, Lauree and Christy Ann, will join him there as soon as he can find a home. The Bachmans were preparing to move into the J. C. Hummels' former home on First Street next week, from their home at 3 Central Avenue. Mr. Bachman is a native of Campbell and has been with the Union Oil company for five years. He and his wife moved here two years ago from Centerville, and Bud Bachman has been a salesman with the San Jose branch since then. He has been an active volunteer worker on the softball field lighting group, and is vice-president of the Junior Chamber of Commerce.

Their fifteenth wedding anniversary was the occasion for a dinner party given last Saturday at the Hotel Clairmont in Berkeley by MR. AND MRS. ERNEST J. FURTADO of 414 E. Casey Road. The Furtados were married at Trinity Episcopal Church, San Jose, and made their home in that town until they moved to Campbell 11 years ago. Guests of the Furtados for dinner and dancing were Mr. and Mrs. John Klinks of Los Gatos.

RICHARD AND ROBERT FURTADO, twin sons of MR. AND MRS. ERNEST J. FURTADO celebrated their third birthday at a family gathering September 25.

DR. AND MRS. WALTER I. MERRILL were visitors in Campbell Tuesday, and the doctor attended the noon meeting of the Kiwanis Club here. He formerly practiced in Campbell for over 30 years and is now with the Birmingham Veterans Hospital at Van Nuys. He and Mrs. Merrill live in North Hollywood. The visitors, with MRS. EDNA F. SMITH of Campbell, were dinner guests Tuesday night of MR. AND MRS. ETHAN LANPHEAR. Later the Merrills left for Santa Cruz where they had planned to visit Mrs. Merrill's aunt, Miss Ruth Abbie Cook.

LEGALS

CERTIFICATE OF INDIVIDUAL DOING BUSINESS UNDER FICTITIOUS NAME.
KNOW ALL MEN BY THESE PRESENTS:

I, the undersigned, Milton B. Parker, do hereby certify:

That my name in full is Milton Benjamin Parker, and that my place of residence is 5 Munro Ave., Campbell, California.

That I am transacting business in the State of California under the fictitious name and style of Television Lamp; that I am the sole owner and proprietor of said business; that the place where said business is carried on and my principal place of business under said name is situated at 5 Munro Ave., Campbell, Calif.

IN WITNESS WHEREOF I have hereunto set my hand this 30th day of September, 1949.

MILTON B. PARKER,
State of California,

County of Santa Clara) ss.

On this 30th day of September in the year one thousand nine hundred and 49, before me, Sally L. Wood, a Notary Public in and for the County of Santa Clara, State of California, residing therein, duly commissioned and sworn, personally appeared Milton B. Parker, known to me to be the person whose name is subscribed to the within instrument, and acknowledged to me that he executed the same.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my official seal in the Campbell, County of Santa Clara, the day and year in this certificate first above written.

SALLY L. WOOD,
Notary Public in and for the Campbell, County of Santa Clara, State of California.

My commission expires November 23, 1952.

9-30, 10-7-14-21

son; however, Miss Cookson died Monday in the coast city. She would have been 100 years old next March.

MR. AND MRS. ROBERT G. JAMES and daughter Cheryl spent part of their vacation this year visiting Mrs. James' parents, Mr. and Mrs. Thomas Mounsgovan of Fort Bragg, where the Jameses also picked up their son, Richard, who spent the summer with his grandparents. Richard is now attending kindergarten in Campbell. The remainder of the Jameses' vacation was spent in Santa Cruz.

MRS. W. C. BRYANT is expected to return home from O'Connor Hospital this weekend. She has been at the hospital for two weeks, under traction for a back injury received in an automobile accident September 2 at First and Rincon Avenues, Campbell.

MR. AND MRS. J. C. HUMMEL are completing moving operations today from their former home at 49 N. First street to the lovely new home at 655 Kenneth Avenue which they have purchased.

An event which took place 25 years ago in Rockford, Illinois, was celebrated Saturday evening by MR. AND MRS. ANTON POLEY and a group of friends who gathered for dinner and dancing at Hawaiian Gardens. It was the twenty-fifth wedding anniversary of Mr. and Mrs. Poley who came here four and one-half years ago from Illinois. They own Cherrio Corners. Others seated at the dinner party were Mr. and Mrs. Arthur Marsh, Mr. and Mrs. Stanley Brown, Miss Dorothy Poley, daughter of Mr. and Mrs. Poley, and Mr. Richard Campi, all of San Jose.

Students must have the BEST LIGHTING in your home!

Guard against eyestrain in your home with better lighting. Steady eye use for studying and reading can be the principal cause of hot, inflamed eyes—the warning symptom of eyestrain. For the study desks and reading zones in your home make sure that the lighting is bright enough for easy seeing and is free from glare and immediate shadow. Do as thousands of families are doing now—conduct a fall lighting check-up in your home. Fill empty sockets with right-size bulbs, replace old, blackened bulbs and make sure you have a supply of spare lamps of proper wattage.

WE SALUTE...

Our Nurses!

The spirit of Florence Nightingale lives on today in countless homes and hospitals throughout this community. Working long hours, faithful and efficient, the nurse exemplifies the finest qualities of modern womanhood. What a blessed comfort it is to know that she, in her immaculate, starched uniform and cap, is instantly at your bedside at the touch of a button. Her happy smile and air of authority bring renewed confidence and hope to the most discouraged of patients. She is a practitioner of love and indispensable to the medical fraternity!

Roberta Garrison Raymond McVea Set Wedding Day

Miss Roberta Irene Garrison and Raymond McVea, both of Campbell, will exchange marriage vows in the Lutheran Church, San Jose, on October 23 at 2 p.m. Miss Garrison, the daughter of Mrs. Victor Serafino and the late Mr. William Garrison, is a native of Wichita, Kansas, and a graduate of Campbell High School. The future bridegroom, son of Mrs. Alva Porter, was born in this community and is also a graduate of the local high school. The couple plan to make their home in Campbell.

Woman's Guild Plans Underway For Bazaar

The Woman's Guild of Campbell Congregational Church will meet in regular session in the church parlors Thursday afternoon, October 6, at 2 o'clock. Group 1 will be hostesses. A feature of the afternoon will be Radio Skits presented by each group. During the business meeting further plans will be made for the Annual Bazaar to be held November 17 under the auspices of the three Guild Groups, Sigma and Friendly Circle.

Bingo Tonight

St. Lucy's Evening guild will hold a bingo game tonight at 8 o'clock in the parish hall. Angie Turturici will be chairman for the evening program.

High School PTA To Start Series Of Parents' Forums

First of a series of forums on the subject, "The Inquiring Parent," will be conducted during the opening meeting of the year for the Campbell High School Parent-Teacher Association, Wednesday, October 12, at 6:30 p.m. in the school cafeteria. An outstanding speaker will address the group. A question period will follow. Dr. Oliver Byrd of Stanford University will speak at the first forum on "Our Golden Opportunities."

World Communion Service Sunday

World-wide Communion will be observed at the Campbell Methodist Church next Sunday morning at 11 o'clock. Rev. Ezelle C. Cox, of San Jose, will bring the message, and will conduct the Communion service. He will be assisted by Rev. W. H. Lloyd, a retired Methodist minister, who is member of the Campbell Church Quarterly Conference.

Mrs. Virginia Rutherford will play the organ for the service.

Harold Drummond At Board Meet

Harold Drummond, member of the Campbell High School faculty, attended the executive committee meeting of Alpha Omega, field chapter of Phi Delta Kappa, national honorary educational fraternity, Tuesday afternoon in San Jose. Mr. Drummond is secretary of the board which discussed its program for the coming year with Chapter President Russell Timpany, assistant superintendent of Santa Clara County Schools.

What Not Shop Enlarges Retail Store Area

The What Not Shop at 20 E. Campbell Avenue is completing remodeling operations which have resulted in enlarging the retail shop area. All available space in the building is being utilized, new shelves for display purposes have been installed, and this year, for the first time, a whole section is devoted to Christmas cards, Mrs. Ray Fish said.

More About Campbell Water

(Continued from Page 1)
lons per minute from wells of 438 and 819 feet, respectively.

Next stop on the tour was at Plant Number Two, Rincon Avenue and First Street, which is a power-off standby and emergency water supply center. Its 100 horsepower, 80 horsepower continuous, diesel engine can provide a 400-gallon per minute emergency supply, pumped directly into the system in the event of serious power cutoffs at the other plants. Well depth is 412 feet.

Plant Number Three on West Campbell Avenue is to be the center of another already planned future expansion program. The plant's well has a depth of 403 feet and a capacity of 275 gallons per minute. A million-gallon storage tank is planned for this plant location. Under present operation the water is pumped directly into the system.

Direct pumping is made possible at both plants Three and Four through use of a McCurdy sand and water separator which, through a centrifugal type of operation, causes the sand to settle to the bottom and sends the pure water out through the top of the separator. Consumers served by the local company receive pure, untreated water, company officials aver.

As at plant number three, plant four also pumps directly into the system. At No. 4, Hamilton Avenue off Central Avenue, a new well was brought in last year with a

depth of 652 feet and capacity of 870 gallons per minute. With an average of 570 gallons per minute pumped under pressure into the main system by a 75 H.P. pump, this plant is one of the most modern in the state.

Pipe and supplies are stored at the company's corporation yard. Railway and Rincon Avenues, where the company receives delivery of supplies via its own railroad spur.

Campbell Water Company serves a household average number of consumers somewhat higher than the national average of 3.5 per service. Here the average is four persons per service connection. Of the combined daily average output for all four plants of one and one-half million gallons, greatest amount, 60 percent, is consumed for outside purposes such as irrigation and outside watering. 35 percent goes into sewage, including cannery refuse, and five percent for household use. Daily average output climbs to two million gallons during the cannery season. Total water output of the combined plants for 1948 was 27,778,556 cubic feet, or a little over 208 million gallons.

Nearly all electrically operated equipment for the company's plants is produced by Food Machinery Company, and the big pumps are Peerless type. Sizes of the present water mains vary from 2 to 10 inches in diameter, and all new water mains installed and to be installed have diameters of at least 6 inches.

Boundaries of the area served by Campbell Water Company run along Gilman Avenue to Poplar Avenue to Hamilton Avenue at the railroad tracks; south on Kennedy Avenue and Whitehall Street, west along Rincon Avenue to San Tomas Aquino Creek, out Campbell Avenue to Campbell Manor, out Latimer Avenue to San Tomas Road and north out San Tomas Road to Payne Avenue, then back to Hamilton Avenue at the tracks.

In outlining present plant facilities and future development plans, company officials exhibited a profound interest in growth of the community and expressed determination to provide modern service in ample supply to their customers. Most serious problem facing this company, as well as all companies in this valley, they indicated, is the steadily decreasing water table level. In the past summer average pumping level at Campbell plants has dropped from 214 feet to 220 feet. While the level is expected to hold at an almost steady level after close of orchard irrigation season, no rise in the water table can be expected until well after the rainy season has begun.

Sherry Ann Self Dies At 2½ Years; Services Held

Sherry Ann Self, 2½, daughter of Mr. and Mrs. Mack Self of Campbell, died Monday at O'Connor Hospital, San Jose, following an operation. The child had been in poor health for four months.

Besides her parents, she leaves a sister, Frankie Louise, 5½; her grandparents, Mr. and Mrs. Robert Self and Mrs. Mary Henderson,

all of Campbell. Sherry Ann was a native of Campbell.

Funeral services were held Wednesday at 2 p.m. from the Rutherford Funeral Home, Campbell. Interment was at Santa Clara City cemetery. The young honorary pallbearers were the Misses Frances Holland, Betty Allen, Joann Malory and Dorothy Kurtz. The Rev. Herbert Johnson of the Assembly of God officiated. Interment was at Santa Clara City cemetery.

CARD OF THANKS

We wish to express our appreciation to our many friends and the people of Campbell for their sympathy and assistance during our recent bereavement.

Mr. and Mrs. Mack Self and daughter, Frankie Louise.

In most of southern Guam and the Palau Islands invasions of giant African snails have reached the epidemic stage.

Herbert E. Jones Dies; Member Of Pioneer Family

Herbert E. Jones, 74, member of an early Campbell family, died Saturday, in San Jose. He was a native of Wisconsin.

The Jones family lived in Campbell for many years, and their home was at the corner of Latimer and Winchester Road. Herbert Jones' father, E. Jones, was volunteer librarian for many years when the Campbell Free Library was in operation in the old building at the rear of the present County branch library building. Mrs. E. Jones, an accomplished musician, was the pianist for the Congregational Church at that time.

Herbert E. Jones was the husband of the late Eleanor Currier Jones; brother of Mrs. Fannie Merrill of Campbell and Mrs. Bertha Lopez of Modesto.

Funeral services were conducted Tuesday at 2 p.m. from the Rutherford Funeral Home, Campbell, followed by interment at Los Gatos cemetery.

ily, 9:45 a.m. Worship service with Master Ida Skow of San Jose Grange who spoke briefly about the sixth degree to be given Oct. 7 at Morgan Hill. It was announced by the fair committee chairman that the Cupertino Grange exhibit won third prize at the county fair. Theme was "A Century of Progress and" and the display of a revolving platform divided into four sections each depicting a period of time starting with 1849 when the area was wild and progressing through the periods of grain and hay production and on through the vineyard era, to the modern orchards. The fair committee consisted of Lester and Mary Breeding, Ernest and Frieda Angelo, Paul and Amy Bean, Fred and Maxine Grevstad, George and Tillie Loyst, Dwight and Florence Sheffer and Frederick and Elizabeth Wood.

Bro. Angelo reported on the sales slip contest and requested that all sales slips be turned in before October 1. It was announced that the next Home Economics club meeting will be at the home of Dorothy Sorensen on McClelland Road, Tuesday, October 4. Vince Garrod spoke briefly on the soil conservation district. He will speak at length on the subject during lecturer's hour at the next meeting.

The Orchestra received and accepted an invitation to appear on the lecturer's program at the Pomona meeting October 1 at Morgan Hill.

Refreshments were served by Howard and Verna Paige, Lonnie and Dolle McAlister and Earl and Dorothy Sorensen. The next meeting will be held on Friday, October 14.

ASSEMBLIES OF GOD—100F hall, Rev. Herbert L. Johnson, pastor. Sunday school, 9:45 a.m. Worship at 11. Evangelistic, 7:30 p.m.

CAMPBELL BAPTIST—115 Sunnyside street, A. F. McKinney, pastor. Sunday school 9:45 a.m. Worship service at 11. B.V.F., 6:45 p.m. Evening service, 7:45. Mid-week service and Bible study Wednesday, 7:45 p.m.

Cupertino Grange Fair Booth Wins Third Prize

Another member was added to the fast growing Cupertino Grange at the meeting Friday night. Mr. Oral Ferguson was given the first and fourth degrees by Master D. F. Sheffer. Before the meeting was formally opened, an award was presented to Miss Rosemarie Flores of Fremont High school for her essay on soil conservation. The essay contest was sponsored jointly by the National Grange and the soil conservation committee of the Dept. of Agriculture.

Campbell Press. We are always delighted each week on getting the paper and reading the news of our friends and of the various activities in the community. We have thoroughly enjoyed these past two years of island living and especially so now, since we have our own place. We are planning a trip back to the mainland next spring for two months. If any folks in Campbell area would care to exchange houses with us during that period we would be glad to have them get in touch with us. This is truly the Paradise of the Pacific.

Very truly yours, Mr. and Mrs. Archie Keesling, 110 Wailua Road, Lanikai, Oahu, T.H. September 22, 1949.

Rummage Sale Ada Rebekah Lodge will sponsor a rummage sale Friday and Saturday, September 30 and October 1, in the Currie Store Building on Campbell Avenue.

CAMPUS CHATTER

Associated Students, under the chairmanship of Pat Gilbert, social affairs commissioner, will welcome incoming freshmen Friday, October 7, at the first school dance of '49-'50, in the school gym, from 9 to 12 p.m. Music will be by Sonny Clairemont. Style will be dressy sport.

Holders of student body cards will be admitted free. Those without cards will pay 35 cents. Card holders may invite guests.

Lorraine Wood was elected president of the California Scholarship Federation at the school branch's first meeting Friday. Other officers named were Jean Johnson, vice-president; Pauline Cleveland, secretary-treasurer. Miss Mildred Mendia is the advisor. Class meetings will be held next Tuesday, October 4, during period three.

Mino Yamate, manager of the Bucs' Cove fountain, explained that each member must assist at the fountain during the semester.

Largest orchestra in the history of the local high school has been organized this term under direction of Frank Triena, with 52 instrumentalists. Members of the orchestra plan to attend the San Francisco Opera company performance of Gounod's "Faust," October 6 at the San Francisco Opera House.

George Egling, school photographer, announces plans for a new photography laboratory to be constructed soon on school property on Latimer street. Oriole and Campus Echo pictures will be printed at the laboratory by Orme Shockley, Kirby Campbell and Bruce Gould, under Egling's direction.

High school classes in upholstery will use a part of the Latimer street building.

Student body officers, Bruce Abernathy, president; Abel Brown, vice-president, and Gayle Schrader, secretary, were introduced at assembly Tuesday morning. Council members presented were Pete Young, Bob Beth and Mino Yamate.

Campus Echo staff members this year are Bob Powell, Virginia Grattan, Ward Carson, Fred Aspesi, Carol Rayborn, Jim McMurry, Charles Venezia, Anna Genovese, Gnesa Hill, and Advisor is Mrs. Louise Tordt.

Orchard Grange Views Pictures Of Alaska Tour

Mr. and Mrs. Harry Barnes exhibited pictures of their trip to Alaska this summer during the Orchard City Grange lecture program Tuesday night at the Campbell 100F Hall. Grange Lecturer Wesley Youngclaus was in charge of the program.

On their tour, Mr. and Mrs. Barnes traveled by boat from Vancouver, B.C., up the Inside Passage, stopping at several ports on the way. One of these, Ocean Falls, B.C., is the location of the Zellerbach paper mill, largest in the world, which produces all grades and kinds of paper.

From Juneau, Alaska, the Barneses went overland by railroad to Yukon Territory which is famous as the location of the gold rush of '98. Surprising, but true, Mr. and Mrs. Barnes said, Dawson City which was such a rip-roaring town in the gold rush days, is now a ghost town.

The pictures depicted Indian life in Alaska, gold dredging and the mining country.

During the meeting four applications for membership were received. Marvin Keesling issued his report on the county fair, stating that Orchard City Grange booth, which contained 202 varieties of fruit plus a gold centennial display, was awarded fourth premium and netted the Grange \$145.

Candidates for the fifth degree may take the degree at Morgan Hill Grange, October 7. This is an important date for grangers planning to take the seventh degree at the National Grange convention in Sacramento this November.

A communication from Congressman Jack Z. Anderson was read, in which he stated the bill enabling Santa Clara Valley to receive water from the Mendota Canal has successfully passed the House and is now awaiting Senate action.

The State Grange was reported to have gone on record against the Daylight Saving Time proposition on the November 8 ballot, although daylight saving would operate only five months of the year, since the majority of the farmers appear to

The staff will publish a weekly paper showing various types of page make-up. After issuance of the samples, student council members will decide on layout style preferred for balance of the year.

Hubert H. Smith Dies In Pinole

Hubert H. Smith, 46, native of Campbell, died Tuesday in Pinole. He was a veteran of World War I and a member of Bartenders Union Local 595, of Richmond.

Services were conducted Thursday in San Jose. Interment was at Los Gatos cemetery.

Mr. Smith leaves his parents, Mr. and Mrs. L. L. Brown of Soquel; son, Robert A. Smith of Pinole; and brothers, Lloyd Smith of Los Gatos and Arnold Shell of Clovis.

Bucs Grid Squad In Opener Against Lincoln Lions

Campbell High school Buccaneers go into their first game of a tough schedule tomorrow night against the Lincoln High school Lions at Townsend Field. Starting time is 8 p.m.

be opposed to the proposition. Refreshments were served in the banquet hall.
